The route will start and end in Shakawe. Every participant will receive a goodie bag with a t-shirt. Drinks and snacks will also be provided for all participants as well as a chance to win substantial cash prizes. A Health Expo with health activities, local entertainment, food vendors and spot prizes for runners will follow.

Make a weekend out of it! The event will take place over the Easter Holiday in one of Botswana's coveted tourist destinations – The Okavango Delta and Tsodilo Hills –Mountain of the Gods and UNESCO World Heritage Site.

Why are we doing it? To raise funds to purchase an ambulance/mobile clinic to increase health service delivery in hard to reach areas in the greater Shakawe community.
